From our Founder

It's my pleasure to extend a heartfelt welcome as you embark on this thrilling adventure with us. For me, Southeast Asia isn't just a destination; it's a mosaic of cultures, flavors, and experiences waiting to be discovered. My journey began with a visit to Malaysia in 2010, where I was amazed by the rich tapestry of traditions, the warmth of its people, and the mouthwatering street food. This love affair with Malaysia and Singapore only deepened as I started exploring the region working as a Tour Director in Southeast Asia.

At Malaya Travel, we take great pride in curating experiences that capture the essence of this remarkable region. In each itinerary, we endeavor to include something exciting or unique, whether it's the art of Tingkat (tiffin box) painting in Singapore, exploring the remote jungles of Sarawak, or pampering you with a Malay massage at Banjaran Hotsprings. And let's not forget tasting honey from stingless bees in the Royal Belum Rainforest or experiencing a bird-singing club in Singapore. Whether you're navigating the vibrant markets of Chinatown in Singapore, marveling at the iconic Petronas Towers, or indulging in a culinary feast at Lao Pa Sat hawker center, our team is dedicated to ensuring that your journey is nothing short of extraordinary.

So, whether you're a seasoned traveler or embarking on your first adventure in Southeast Asia, I invite you to join us as we uncover the hidden treasures of Malaysia and Singapore. Let's create memories that will last a lifetime!

DAY 2

A Day of Wonders in Singapore

Start your day with a visit to the National Orchid Garden, a UNESCO World Heritage Site. Afterwards, choose your morning adventure: leisurely explore the Botanic Gardens, visit the Singapore Zoo or the River Wonder. Later in the afternoon, learn about Peranakan culture during a special tingkat painting experience, then savor a Singapore Chili Crab dinner at JUMBO Restaurant. River Safari, now known as the River Wonders is an exciting journey along river-themed habitats: explore immersive exhibits like the [Amazon Flooded Forest and the Giant Panda Forest](#), where you can observe iconic species up close and learn about their natural habitats. Whichever option you choose, your day promises unforgettable experiences and opportunities to connect with nature's wonders. Later on you will be transported back to your hotel for a quick relaxation and lunch.

Experience the ultimate late afternoon adventure in Singapore with our curated tour that promises an unforgettable blend of cultural immersion, culinary delights, and exhilarating exploration. Next, prepare your taste buds for a special dinner! On the way, drive through the idyllic stretch of [Joo Chiat Road in Katong](#). Originally a coconut plantation, it transformed into a residential suburb populated by the Peranakan and Chinese community. This Nonya influence still permeates the neighbourhood today, landmarked by the row of Peranakan shophouses defined by their vivid hues, ornate tiles and elaborate structures. Maybe you can discover some of the motifs on the buildings from the tingkat painting class!

As you arrive at [JUMBO Restaurant at East Coast Food Court](#), enjoy an authentic Singapore Chili Crab dinner. If there is a real Singaporean dish, then this is it: stir-fried crabs smothered in a thick, savory chili sauce, accompanied by steamed mantou buns to soak up all the delicious sauce. Among the notable attractions are the unique floating Louis Vuitton Island Maison and an exceptional Apple store, entirely surrounded by water—an architectural marvel in itself.

Enjoy some free time before you head up to the top of [Marina Bay Sands](#), where you'll be treated to breathtaking panoramic views of the Singaporean landscape from its [Observation Deck](#). Optionally we can reserve you a 3-course lunch at Spago Lounge on top of MBS, serving Californian cuisine with global influences.

Later in the afternoon, you will embark on Malaya Travel's original [Chinatown: Stories of the Five-Foot Walkways](#) walking tour. Over the course of a 2.5-hour walk, you'll delve into the secrets of this vibrant district with your Singapore Destination Expert. Kick off your Chinatown experience by delving into the bustling [Pagoda Street](#) and the [Chinatown Heritage Centre](#) (currently closed). As you pass by impeccably preserved shophouses and secret alleyways, your guide will regale you with stories, offering insight into the lives of early Chinese immigrants. As Singapore is a food heaven, you cannot miss tasting some exciting flavors along the way. Enjoy a stop at [Lim Chee Guan](#), renowned for its [bak kwa](#), a savory delight similar to the western beef jerk.

Our next stop is the magnificent [Buddha Tooth Relic Temple](#). The temple gets its name from what the Buddhists regard as the left canine tooth of Buddha, which has been recovered from his funeral pyre in Kushinagar, India and displayed on the temple's grounds. As you walk through the historic streets of [Smith Street](#) and [Sago Street](#), listen to the tales of the past, from the toils of coolies to the opium dens which were frequent along these streets while tasting some freshly baked egg tarts or mooncakes. Continue your journey by passing by the city's oldest Hindu temple, and take some photos at the vibrant murals adorning [Muhamad Ali Lane](#) before taking a leisurely stroll through [Ann Siang Hill](#) and [Club Street](#) area.

While you walk behind these back alleys, imagine how busy these back alleys used to be in the old days. Our cultural walking tour ends at the venerable **Thian Hock Keng Temple**, a masterpiece of Hokkien architecture steeped in centuries of tradition. Imagine the temple stood on the shore built by the rules of feng shui and see how far the sea it is today.

Your walk ends at **Lau Pa Sat**, a historic food market located at the heart of the Central Business District. **Indulge in a feast of local delicacies** as you dine under the iconic Victorian wrought-iron structure, soaking in the vibrant atmosphere of this culinary hotspot.

Do not worry, your guide will order and explain a selection of Singaporean dishes you must try while in Singapore. That includes **Hainanese Chicken Rice**, Singapore's national dish. This seemingly simple dish, comprising poached chicken and seasoned rice served with chili sauce and cucumber garnishes at room temperature.

After dinner, head back to your hotel, or if you still have some energy, immerse yourself in the **spectacular Spectra Show**—an outdoor spectacle that combines mesmerizing light and water elements showcased over Marina Bay. It's the perfect way to conclude an evening in Singapore, and it is free!
